HOW TO PLAY: CIRCULAR MAZE

Spiral your way out from the centre.

RULES

1. Navigate from the centre (S) to the outer ring (F) through open arcs and radial passages.
2. Walls curve along each ring — rotate your thinking.
3. Each maze has exactly one solution.

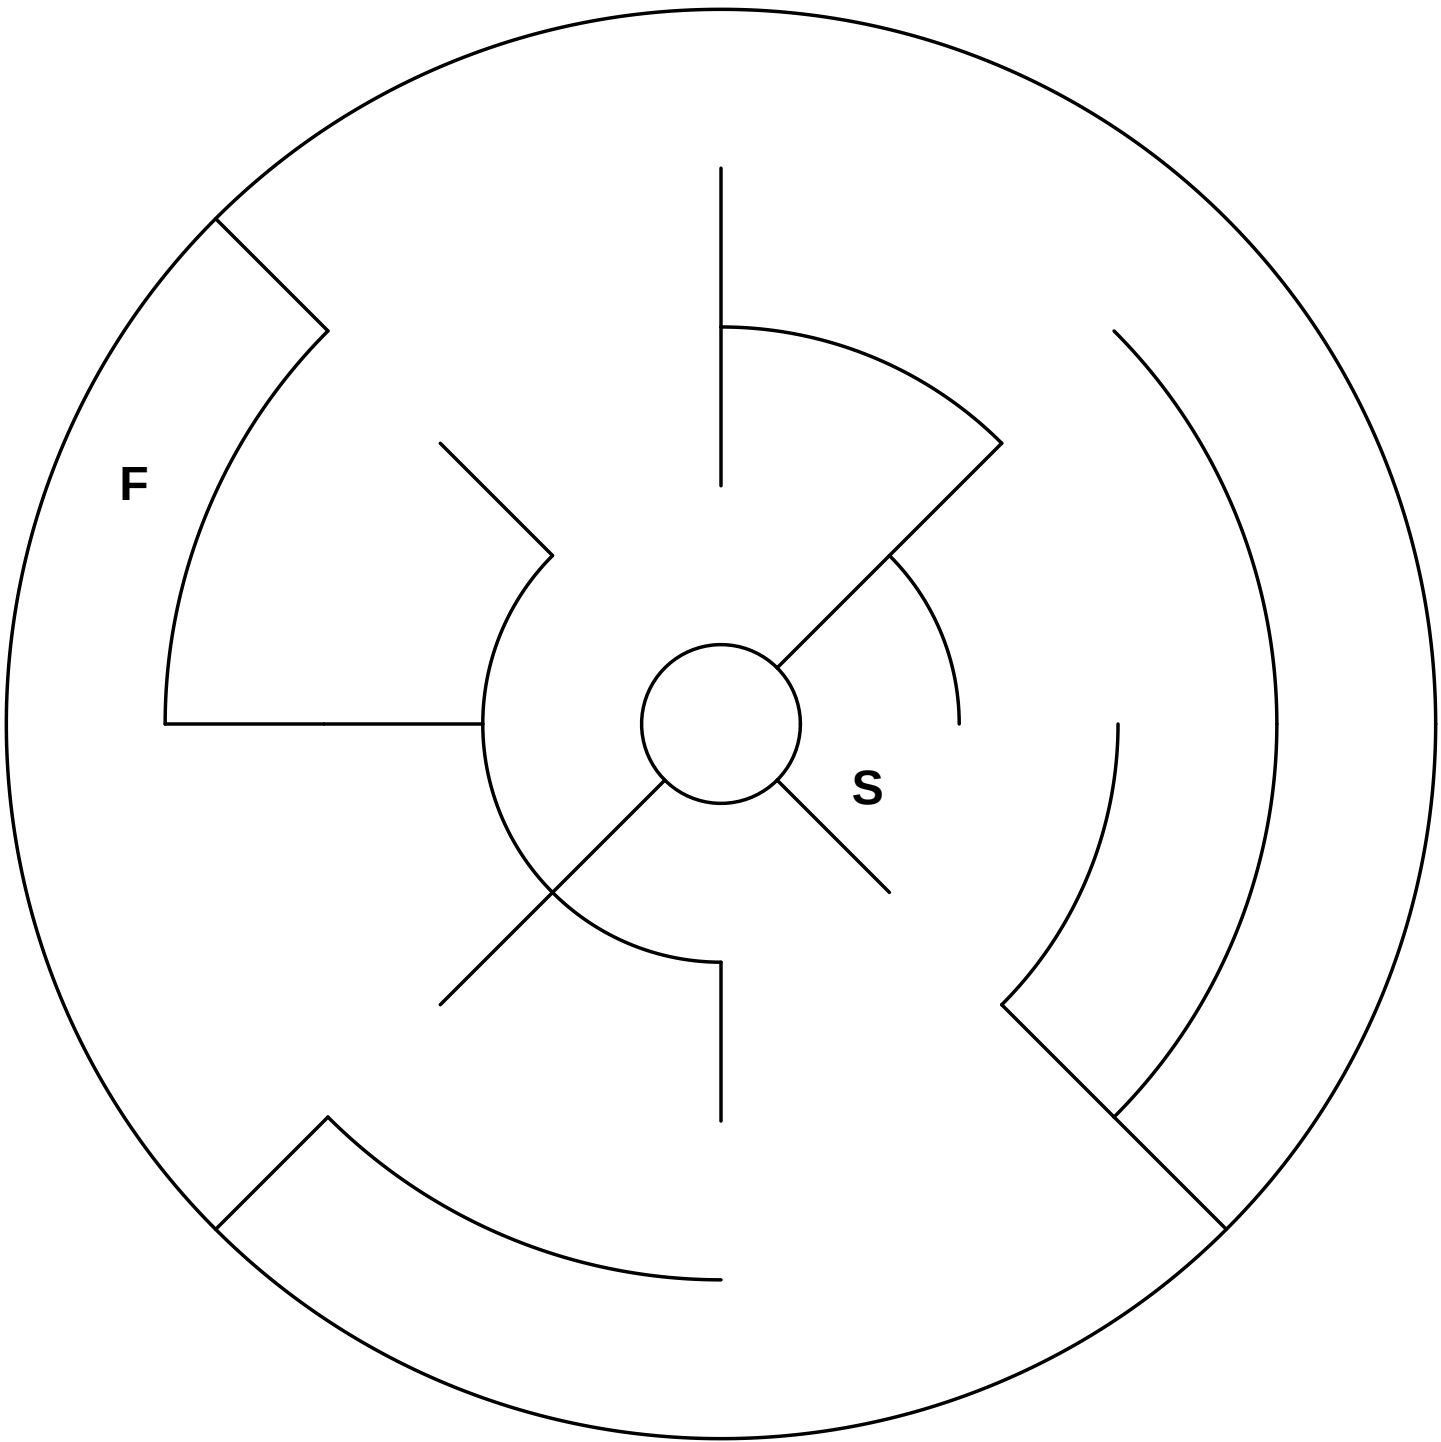

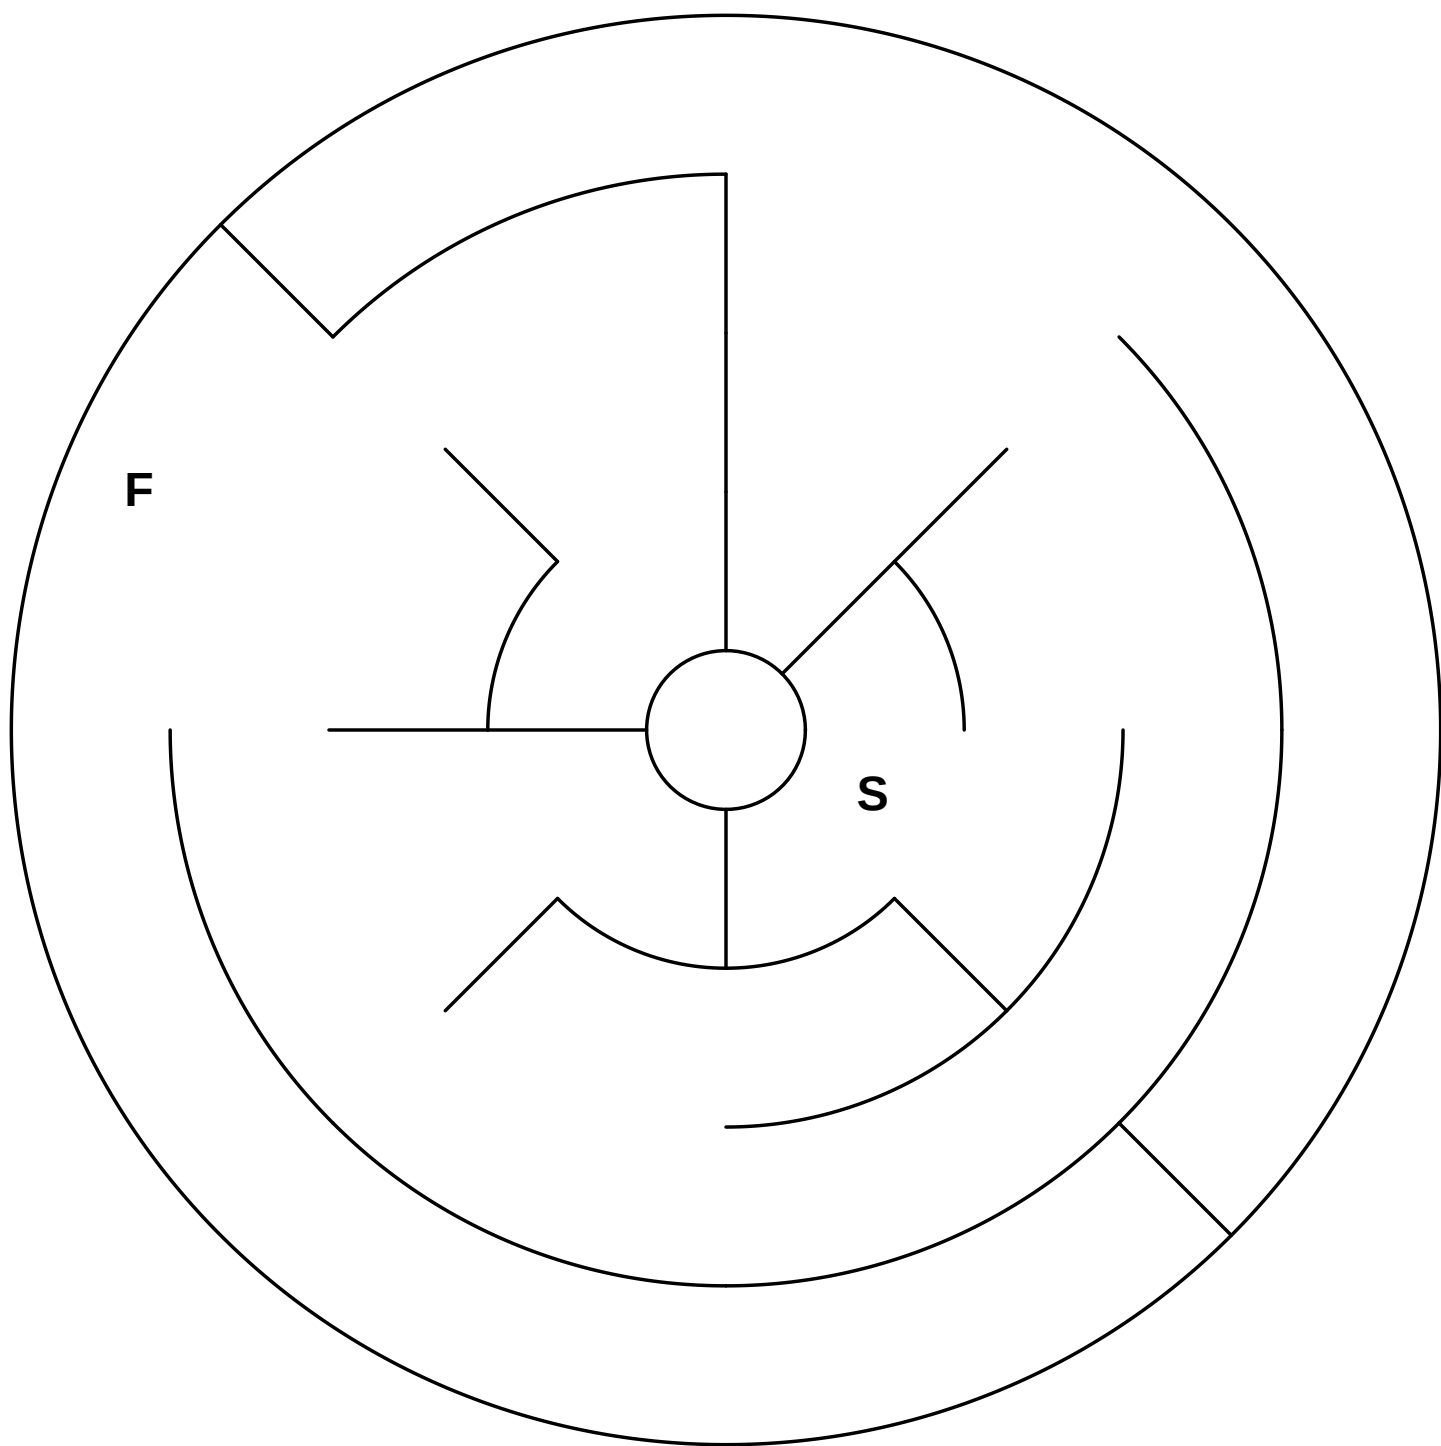

PRO TIP

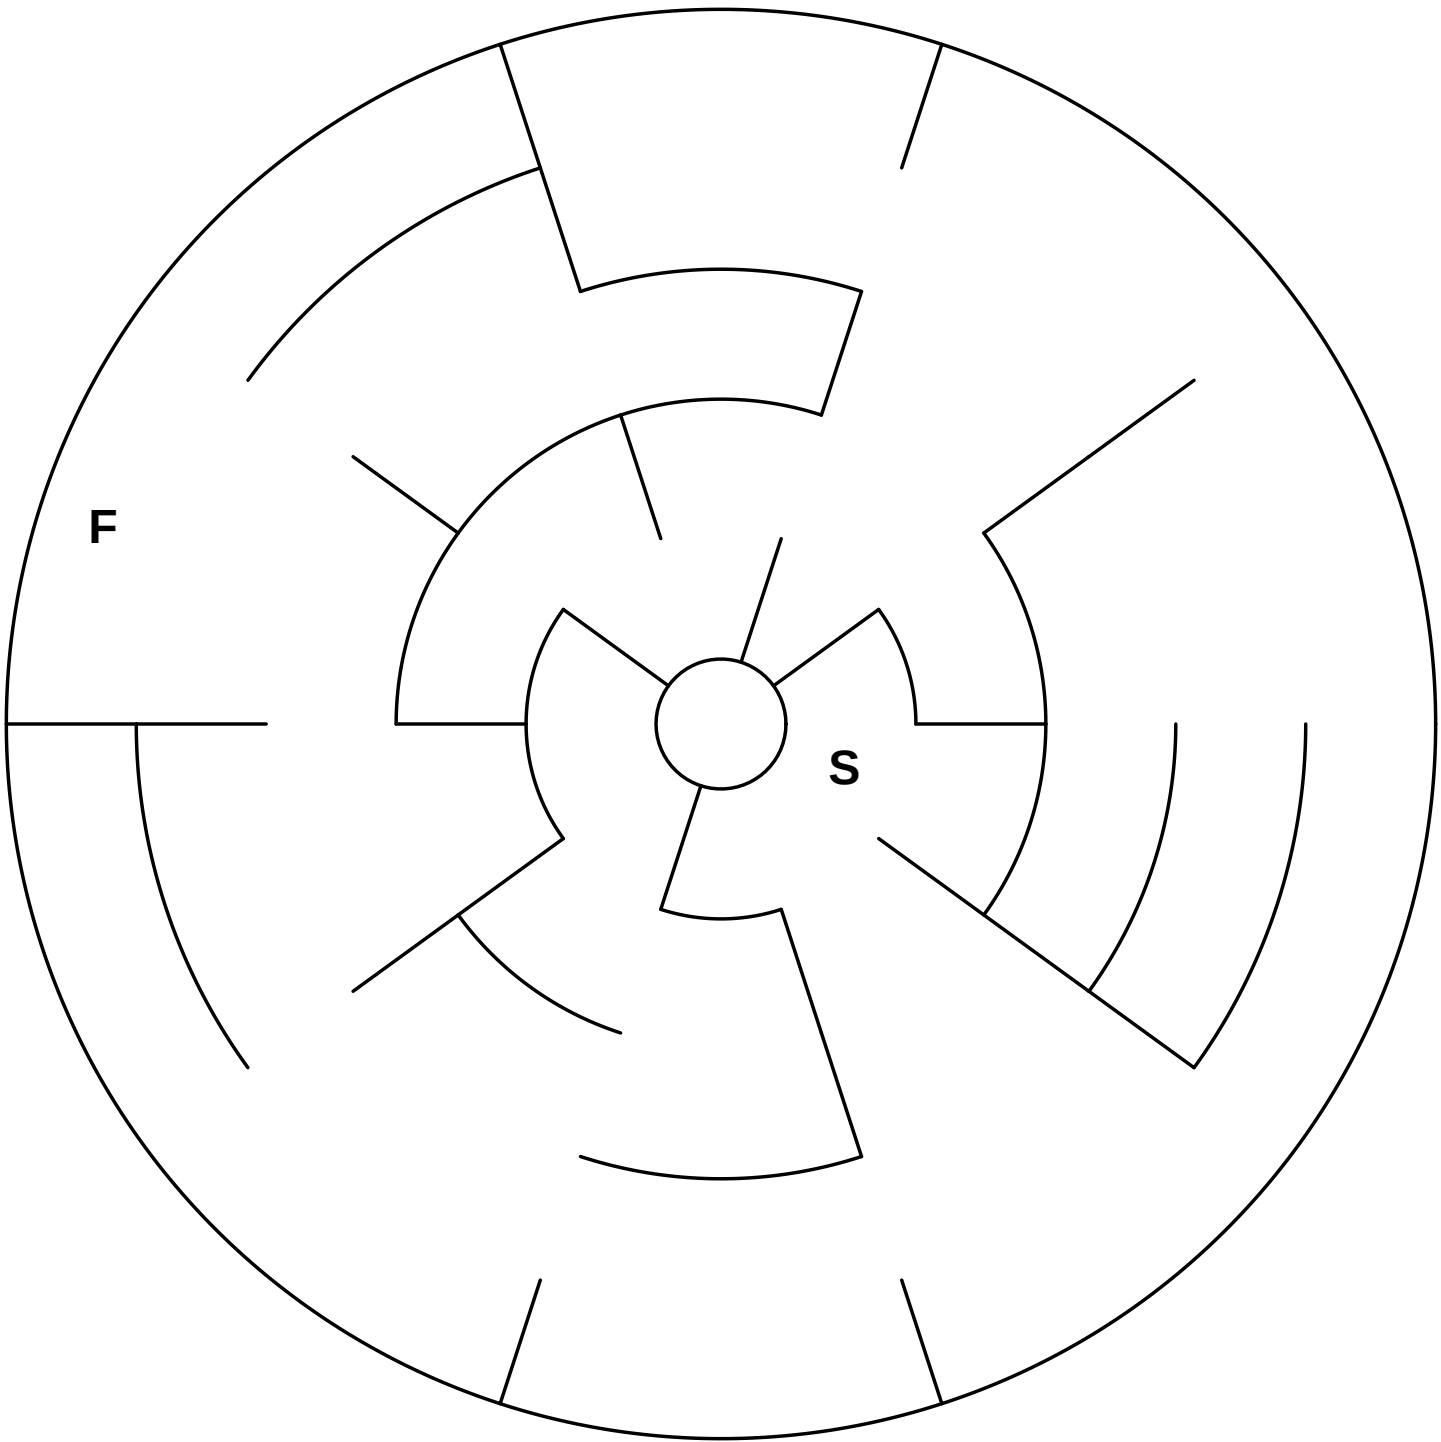

Track which ring you are on — it is easy to lose count in the outer rings.

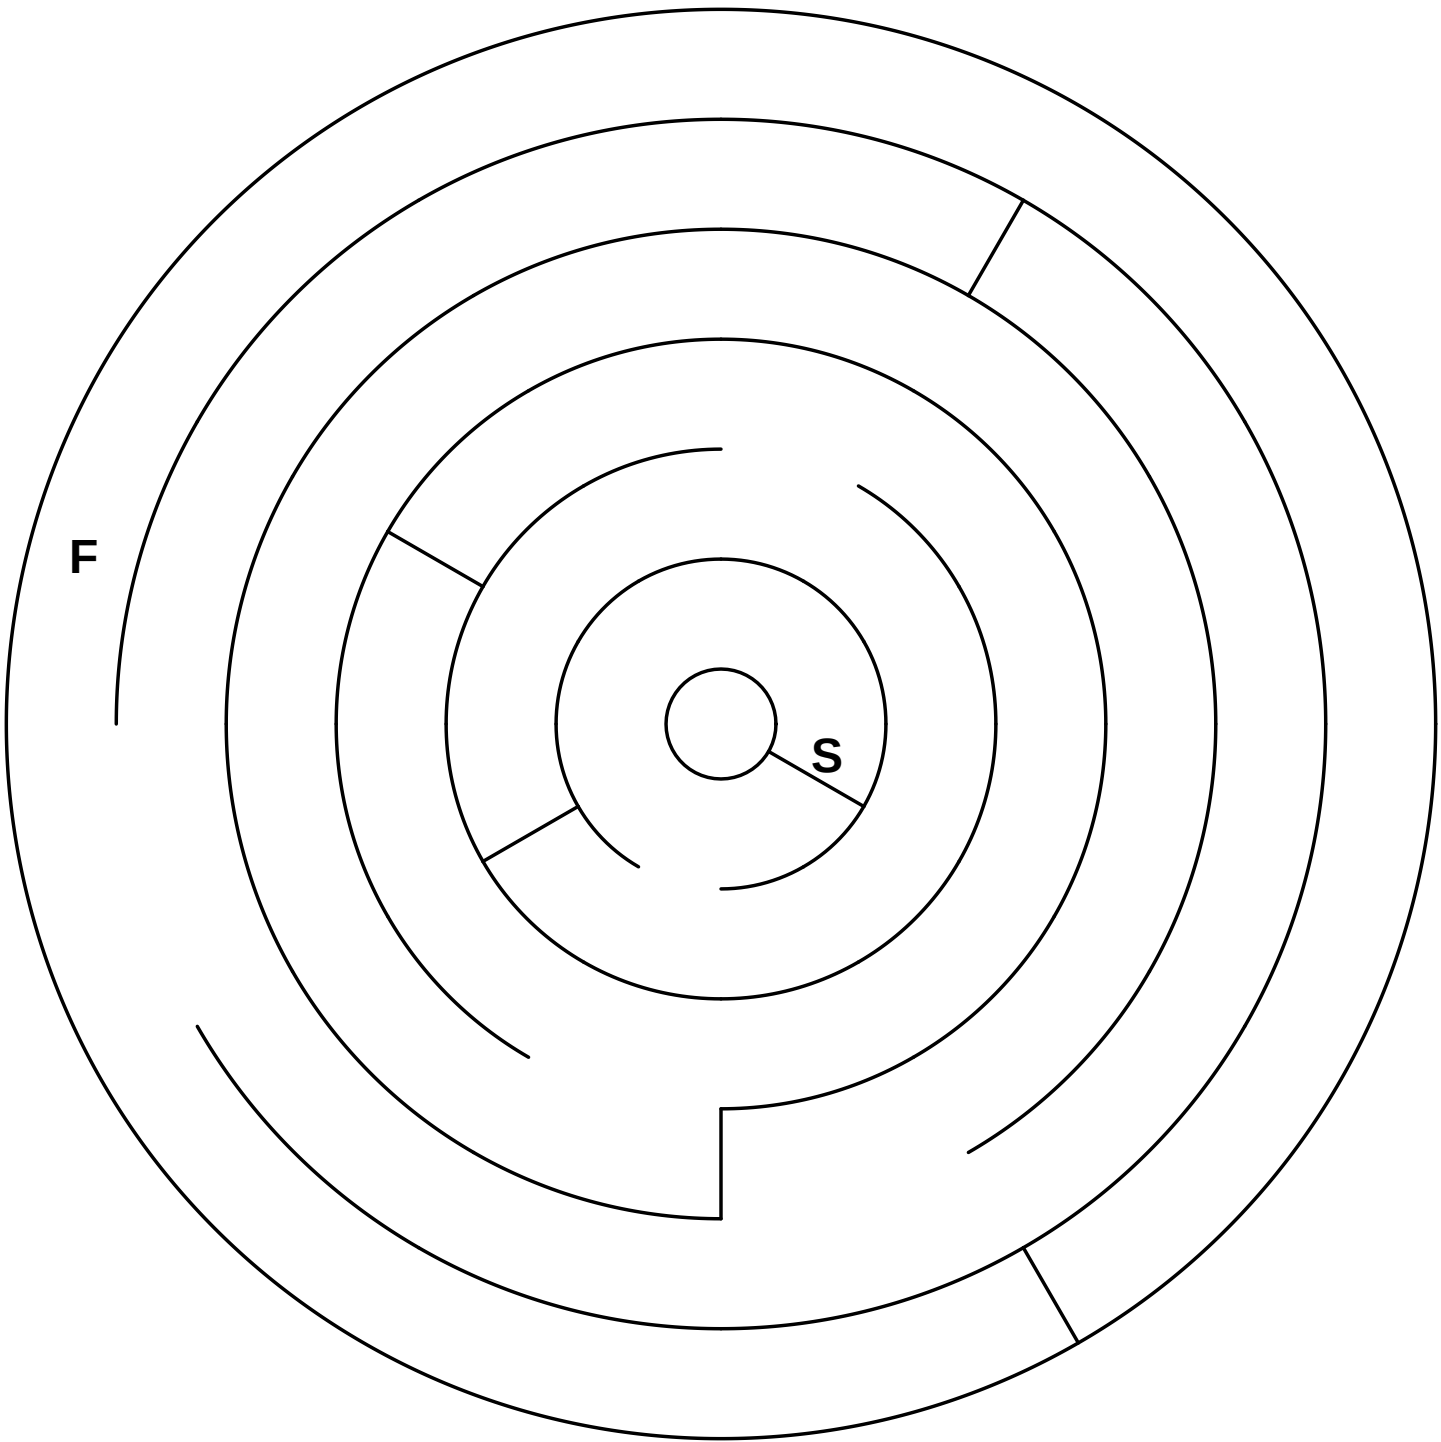

COMMON MISTAKES

- Confusing a radial gap with a ring arc.
- Going in circles — mark visited arcs mentally to avoid loops.
